

Lucrithm Copier

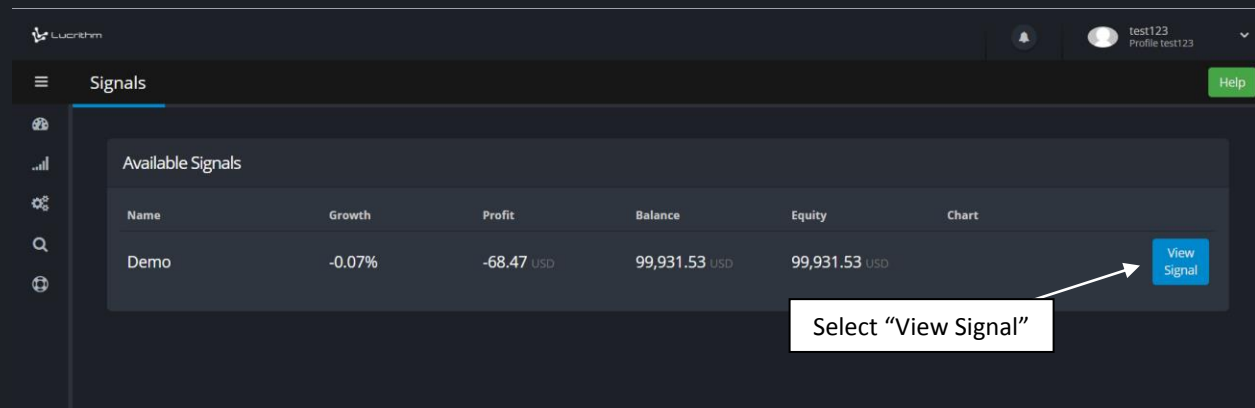

Copier API Guide

Connecting account

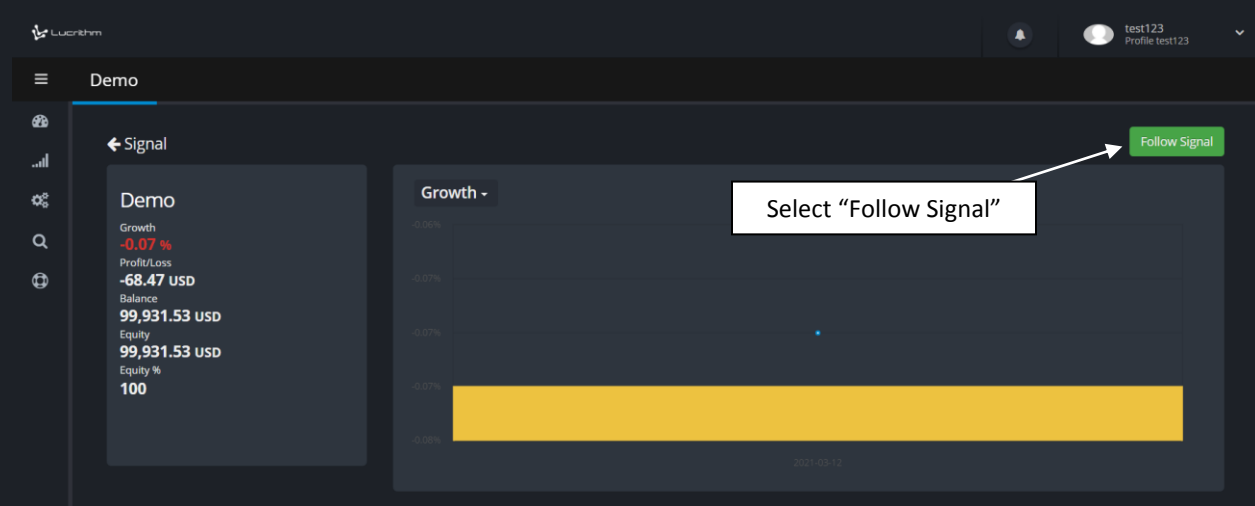

Step 1: Navigate the menu on the top left corner and select "Signals"

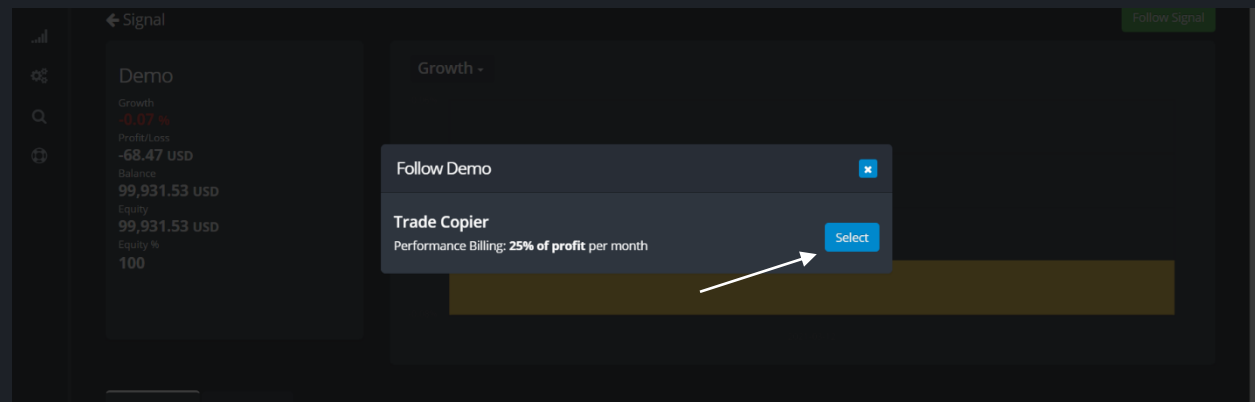

Step 2: Select "View Signal"

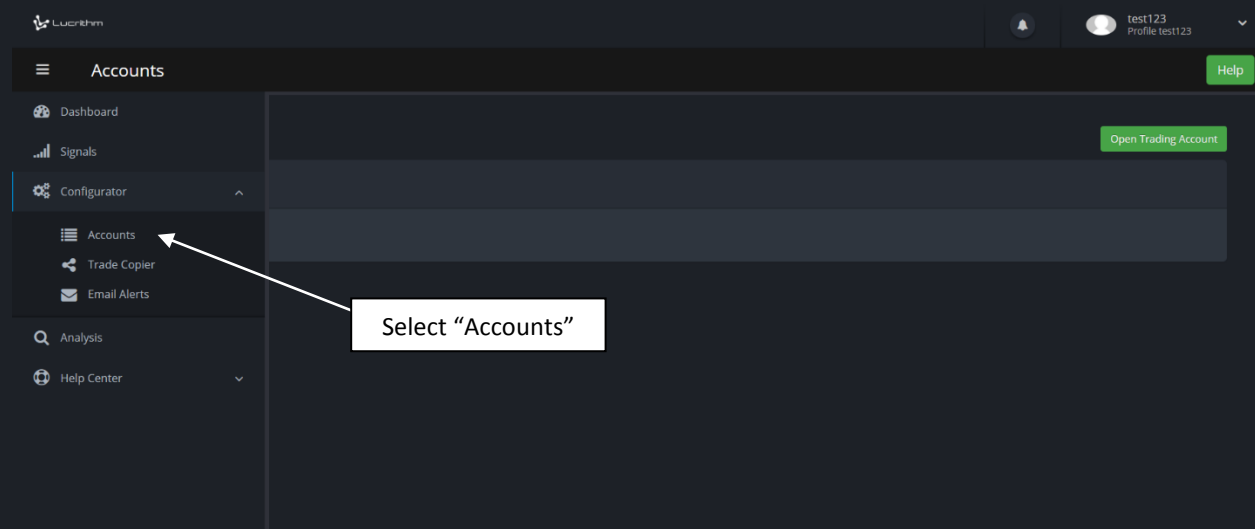

Step 3: Select "Follow Signal"

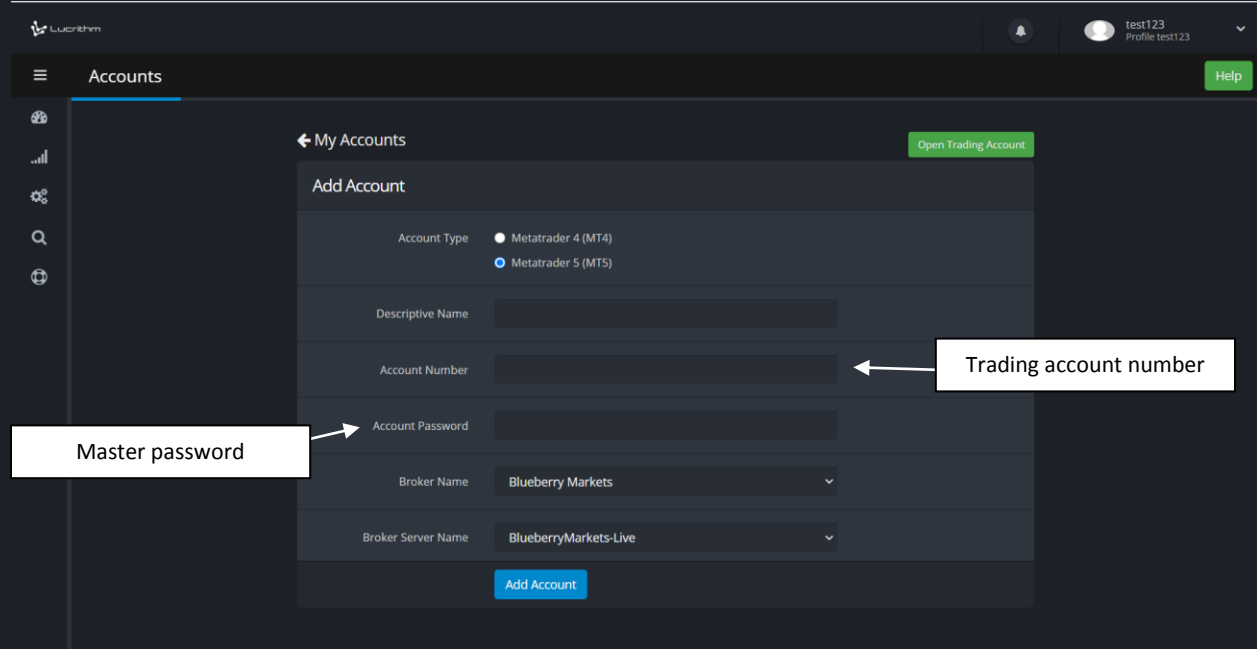

Step 4: Select "Select"

Step 5: Navigate the menu on the top left corner and select "Accounts"

Step 6: Fill in the necessary information

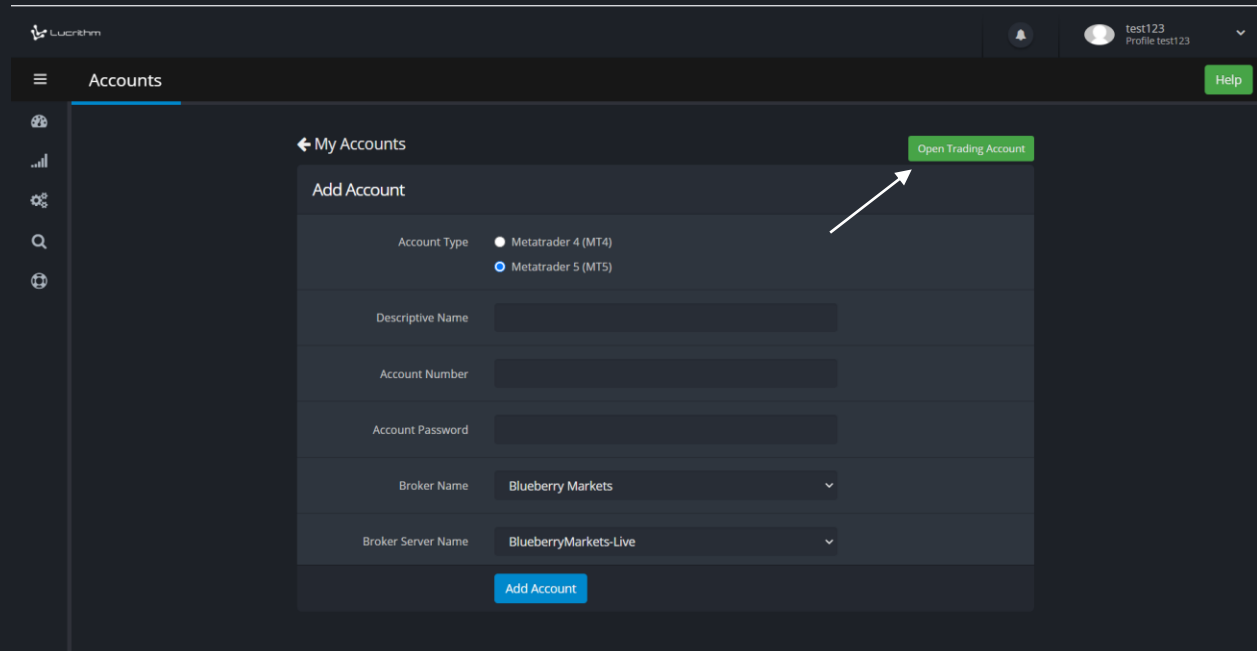

The screenshot shows the 'Add Account' form in the Lucrithm interface. The form is titled 'Add Account' and is part of the 'My Accounts' section. It includes the following fields and options:

- Account Type:** Radio buttons for 'Metatrader 4 (MT4)' and 'Metatrader 5 (MT5)'. 'Metatrader 5 (MT5)' is selected.
- Descriptive Name:** A text input field.
- Account Number:** A text input field. An arrow points to this field with the label 'Trading account number'.
- Account Password:** A text input field. An arrow points to this field with the label 'Master password'.
- Broker Name:** A dropdown menu with 'Blueberry Markets' selected.
- Broker Server Name:** A dropdown menu with 'BlueberryMarkets-Live' selected.
- Buttons:** 'Add Account' (blue) and 'Open Trading Account' (green).

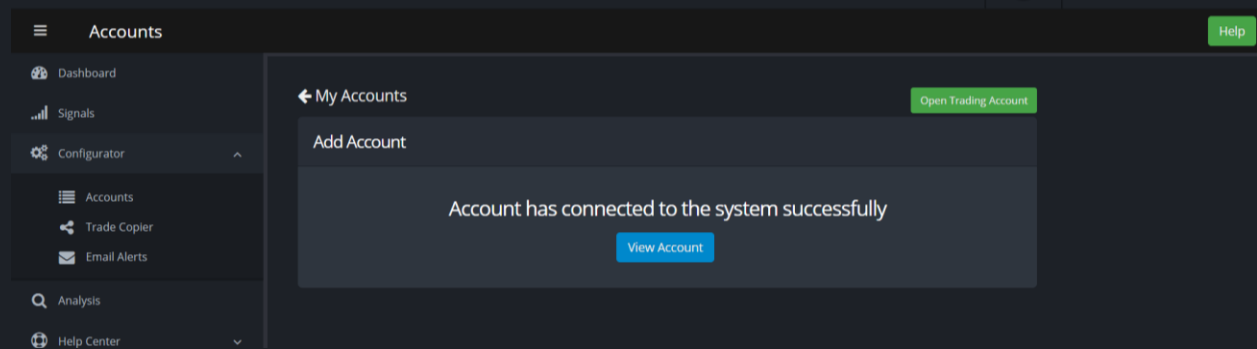

Lucrithm copier only accept **Blueberry Markets accounts** as followers.

Sign up a trading account under Blueberry Markets by selecting "Open Trading Account"

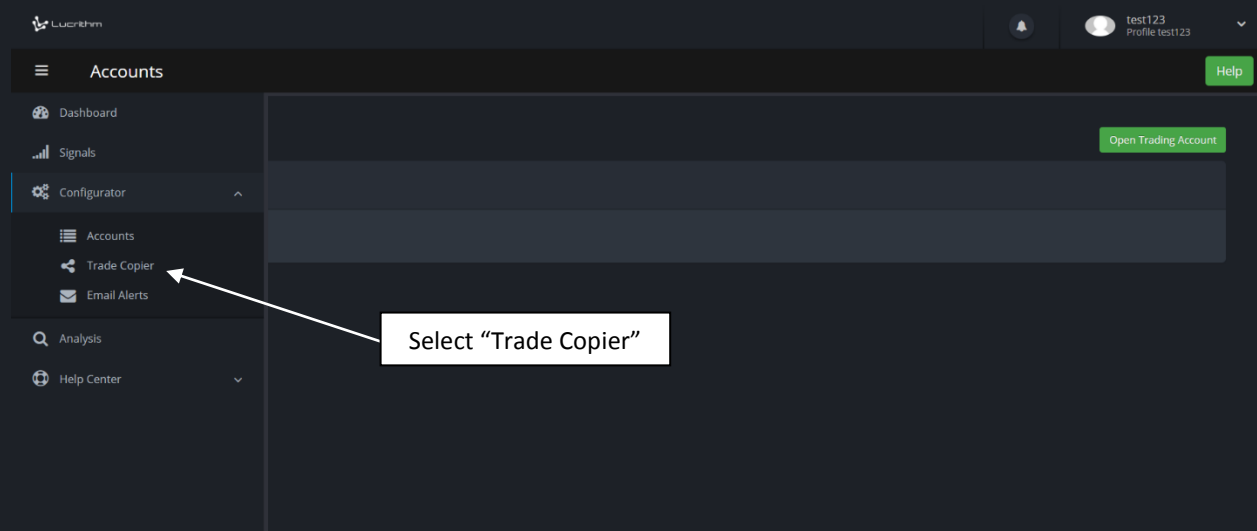

This screenshot is identical to the one above, showing the 'Add Account' form. An arrow points to the 'Open Trading Account' button in the top right corner of the form area.

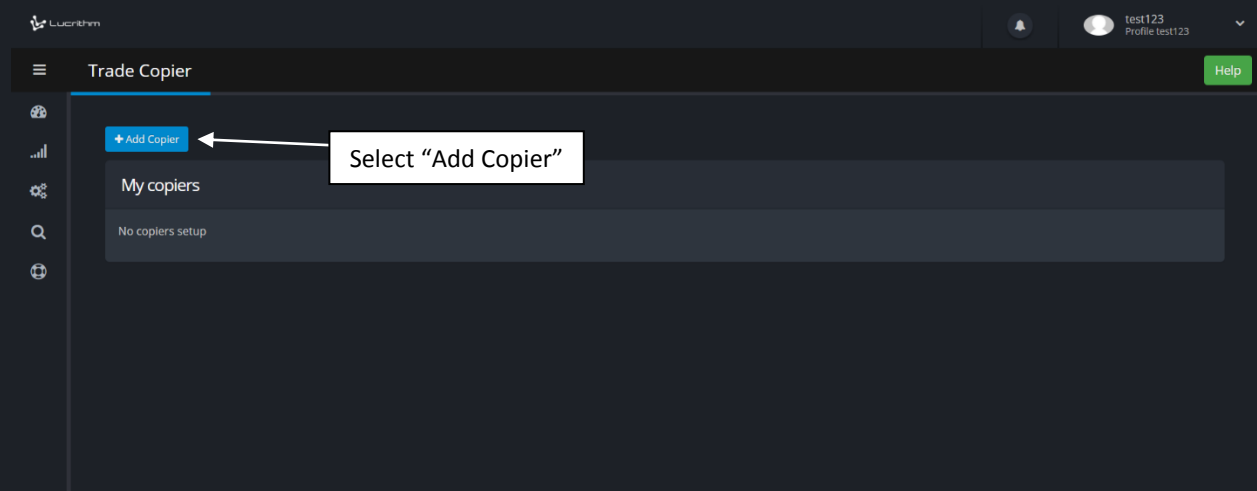

Step 7: Account connected
